

# You've Got a Friend in Me

June 14, June 21<sup>st</sup>

Start the summer off with a splash during our 5<sup>th</sup> annual Polar Bear Swim. Dive into new friendships, clubs and hobbies as we set out on a summer to remember. We'll find out what happens when Andy goes away to college and his toys get dumped at a daycare in **Toy Story** 3. Then put your thinking cap on for our Invention Convention Reloaded, toy style. We'll let our imaginations run wild at the **Children's Museum** where we'll crawl through mazes, make homemade paper and set our inner artists loose.

## Party in the U.S.A

June 28<sup>th</sup>, July 5<sup>th</sup>

Bust out your red, white and blue and get your game face on for RCC Style Olympics. Bumper bowling bonanza at **Fun Fest** will be a gold medal affair as will our Flag Football Tournament. Gymnastics, Hockey, Figure "Skating" and Cycling (during our 2<sup>nd</sup> annual Bike Day) will also be occurring. Our closing ceremony will be a picnic at Riverside **Park**. Then, we'll be checking out where our real black and gold stars shine on our tour of **Heinz Field**. A weeklong visit from the JROTC will help us get in a patriotic mood and foster an appreciation for our armed forces.

## Surfing Tidal Waves, Creating Nanobots

July 12<sup>th</sup>, July 19<sup>th</sup>

Bring your iron stomach to Fear Factor Remix where our mad scientists will be creating delicious concoctions for the bravest of the brave. Have no fear though; we have a doctor in the house, Dr. Seuss that is. The Rockets will be having tons of fun in the sun, creating tongue twisters, writing stories and celebrating Wacky Wednesday. Pool games and our first ever Wet and Wild Challenge will ensure fun for all before we put on our thinking caps and get our craniums working for our Experimentation Station. Trips to the **Carnegie Science Center** and **Riverquest** will put the finishing touches on some out of this world fun!

## Star Struck

July 26, August 2<sup>nd</sup>

Follow the yellow brick road though a web of exciting activities leading up to our very own production of the Wizard of OZ. We'll get tips from the pros as we travel to **Apple Hill Playhouse to view Charlotte's Web** and strut our stuff on the RCC Red Carpet in our Rags to Riches Fashion Show. Dust off your magic hat for RCC's Got Talent and show off your pearly whites during our photo hunt at the **Pittsburgh Zoo**.

## Kiss it Goodbye

August 9<sup>th</sup>, August 16<sup>th</sup>

Bam! With the help of RCC's resident Iron Chefs will be hosting Top Chef RCC and then dining at **Max and Erma's Restaurant**. Sadly, we'll be saying kiss it goodbye to summer, but not before the annual Mr. and Mrs. Riverview Wedding! A honeymoon to **Wildwood Highlands** will be the icing on the wedding cake as we high five our friends until next year. Our annual Retirement Party will close out what is surely going to be a summer to remember.
